ARTICLE ONE

Grievance Procedure

- A. 1. A grievance shall mean only a complaint that there has been an alleged violation of any of the specific provisions of this agreement not specifically excepted from the grievance procedure.
2. A grievant shall be defined as an individual, group of individuals, or the Association.
- B. 1. A grievant shall have the right to present grievances in accordance with these procedures.
2. The failure of the grievant (or, in the event of an appeal to arbitration, the Association) to act on any grievance within the prescribed time limits will act as a bar to any further appeal and an administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.
3. It is agreed that any investigation or other handling or processing of any grievance by the grievant shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and supplemental pay activities of the grieving employee or of the teaching staff. If there is no other time available, the arbitration hearing may take place during the school day.
- C. 1. First Step
- An attempt shall be made to resolve any grievance in informal, verbal discussion between the grievant and his or her principal.
2. Second Step
- If the grievance cannot be resolved informally, the grievant shall file the grievance in writing, and, at a mutually agreeable time, discuss the matter with the principal. The written grievance shall state the nature of the grievance, shall note the specific clause or clauses of the contract, and shall state the remedy requested. The filing of the formal, written grievance at the second step must be within ten school days from the date of occurrence of the event giving rise to the grievance or when it should reasonably have been ascertained. The principal shall make a decision on the grievance and communicate it in writing to the grievant, the superintendent, and the president of the Association within ten school days after receipt of the grievance.

3. Third Step

In the event a grievance has not been satisfactorily resolved at the second step, the grievant shall file, within five school days of the principal's written decision at the second step, a copy of the grievance with the superintendent. Within ten school days after such written grievance is filed, the aggrieved and superintendent or his designee shall meet to resolve the grievance. In the event of the absence of the superintendent, this person shall not be the same person involved at the second step of the procedure. The superintendent or his designee shall file an answer within ten school days of the third-step grievance meeting and communicate it in writing to the grievant, the principal, and the president of the Association.

4. Fourth Step

If the grievance is not resolved satisfactorily at Step 3, there shall be available a fourth step of impartial, binding arbitration. The Association may submit, in writing, a request on behalf of the Association and the grievant to the superintendent within thirty days from receipt of the Step 3 answer to enter into such arbitration. The arbitration proceeding shall be conducted by an arbitrator to be selected by the two parties within seven days after said notice is given. If the two parties fail to reach agreement on an arbitrator within seven days, the Public Employment Relations Board will be requested to provide a panel of five (5) arbitrators. Each of the two parties will alternately strike one name at a time from the panel until only one shall remain. The remaining name shall be the arbitrator. The decision of the arbitrator shall be binding on the parties.

Expenses for the arbitrator's services shall be borne equally by the school district and the Association.

D. The arbitrator is encouraged to render his opinion within two weeks of the culmination of the hearing.

E. Year End Grievance

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year could result in irreparable harm to the party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or within a maximum of thirty (30) days thereafter.

ARTICLE TWO

In the event that the necessary reduction in staff cannot be adequately accomplished by attrition and given the desire to maintain the most qualified staff, the administration shall base its decision as to the resulting contract renewals and non-renewals on the following factors:

The Board shall transmit to the Association the total monthly deduction for professional dues within ten days following each regular period, and a listing of the employees for whom deduction was made will be furnished on October 1 and subsequent deductions therefrom will be furnished on the first of each month following the month of any reduction in size of the unit.

F. It is the responsibility of the Association to inform members of the dues deduction system and to provide the necessary authorization cards.

G. It is further agreed that the word "dues" as used above does not involve initiation fees, *-back dues, or fine.

H. The Association agrees to indemnify and hold harmless the school district from any claims or causes of action that are based upon unfair representation or improper application or use of dues money by the Association.

ARTICLE TEN

Transfer Procedure

- A. Any employee may apply for a voluntary transfer to another building. Such application shall be in writing to the Superintendent.
